

TYPICAL CHARACTERISTICS OF CONCENTRATE

| | |
|------------------|---------------------------|
| Appearance | Blue fluid |
| Physical State | Liquid |
| Flash Point | > 100 °C (212 °F) |
| Boiling Point | 101 °C (213.8 °F) |
| Freezing Point | 0 °C (32 °F) |
| Specific Gravity | 1.01 – 1.02 |
| pH | 11.5 – 12.0 |
| VOCs | 0 g/L per CARB Method 310 |
| Water Solubility | 100% |
| Odor | No added fragrance |

SDS AVAILABLE ONLINE

TYPICAL USES: Concentrated cleaning agent that is diluted with water and used for cleaning glass, mirror, chrome and other reflective high-gloss surfaces. Carries Green Seal GS-37 Standard certification and provides compliance with LEED, municipal and federal requirements for green-certified cleaners.

SAFETY: Use protective glasses when mixing product and if splashing or spray back is likely during use. Dermally sensitive users should use protective gloves.

SIMPLE GREEN CLEAN BUILDING® Glass Cleaner Concentrate

Part of the Green Seal Certified® Simple Green Clean Building line

UNIQUE FEATURES

- Meets the Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging, and protective limits on VOCs and human and environment toxicity. For more information, please visit GreenSeal.org.
- Complies with environmentally preferable product purchasing programs
- Non-toxic and biodegradable formula is safer for employees
- Alkaline use-formula is non-caustic and non-flammable
- Cost-effective concentrate provides 30x the cleaning value of ready-to-use glass cleaners
- Formulated without added fragrance and VOCs that adversely impact indoor air quality
- Does not contain ammonia or isopropyl alcohol, making it a much safer option than other common glass cleaners
- Won't damage plastic, chrome and other metals
- Packaging is composed of 25% post-consumer recycled materials
- Part of a color-coded, number-coded and bilingually labeled cleaning line which also includes All-Purpose Cleaner, Bathroom Cleaner and Carpet Cleaner
- Ideal for use in product proportioning rack systems
- Removes dirt, fingerprints and smudges from glass and reflective surfaces without leaving behind streaks or smears

APPLICATIONS

- Use indoors and outdoors on windows, structural glass, mirrors, glass furniture, display cases and more
- Ideal for use on bathroom mirrors and chrome fixtures
- Safe for use in classrooms, office buildings, government facilities, hospitals, doctors' offices and waiting areas

DIRECTIONS FOR USE

- Dilute one part concentrate to 30 parts cold tap water (1 oz. concentrate to 1 quart of water).
- Fill spray bottles and spray on the area to be cleaned. Work in manageable sections if cleaning a large area.
- Wait several minutes to allow the cleaner to work before wiping and polishing the surface with paper towel, cloth or microfiber or using a squeegee to clean and dry.
