

Industrial & Institutional Strength Products

SIMPLE GREEN 80 Gallon Parts Washer

- Corrosion-free, stainless steel construction
- Preset 120 PSI filter regulator with auto drain
- Adjustable agitation speed
- Spring-loaded door closure with a 165°F fusible link
- Flow-through brush system for touch up precision cleaning
- Heavy duty industrial grade pump
- 80 gallon max. fluid level
- 250 lb. load capacity

SIMPLE GREEN 4 + 1 Select Proportioner

- Dispenses 5 concentrates or water at up to 5 dilution ratios
- 4 low (1GPM) bottle fill and 1 high (3.5GPM) bucket fill outputs
- Accurate dilution regardless of water pressure fluctuation
- E-Gap educator elastomeric sleeve provides backflow protection
- American Society of Safety Engineers (ASSE) 1055 Approved
- Includes tips for 1:2.6-1:447 set dilution ratios, one customizable tip, and 4 foot bucket-fill hose with storage hook
- Expansive workspace inside the unit for plumbing and pick up tubing and easy, tool-free maintenance

Simple Green® 3 Gallon Pump Up Foamer Pro

Portable foam applicator with the familiar ease and portability of a typical pump-up sprayer. Heavy-duty, easy-grip trigger gun with 10" extension wand and locking latch. 6' hose with a wide pattern stainless steel fan nozzle. Viton/Nitrile internal seals and o-rings provide resistance to acidic chemicals. HDPE tank with UV inhibitor can withstand chemical temperatures up to 120°F. Durable manual pump can create up to 45 PSI. Holds 3 gallon of concentrate.

3 U.S. Gallon

SIMPLE GREEN Dilution Bottle

- Sturdy high-density polyethylene (HDPE) plastic bottles can withstand repeated, heavy use
- Pre-marked levels ensure accurate dilution and optimum cleaning performance for Simple Green cleaning and degreasing products
- Dual-action spray and foam trigger for large scale, vertical or precision applications
- 32 oz. liquid capacity
- 8 bottles per case

32 oz.
